

Student Termly Reports 2018-19

**Supporting information
for students and parents**

Year 10

Introduction

This document gives the key definitions and supporting information to assist parents/guardians and students in understanding the termly reports. This replaces the information that used to be produced on the reverse of student reports.

Depending on the term not all of the criteria included in this booklet will be included in some reports. Any information relating only to specific reports will be included in letters sent to parents/guardians to accompany each report. Those letters and this supporting information should be used together.

Approximate dates by which reports will be issued to students/parents are shown in the table below.

Year Group	Autumn Term	Spring Term	Summer Term
10	Parents Evening: 8th November	Late February	Late June

Key Stage 4, Year 10

All House points, Behaviour strikes and Percentage Attendance figures are reported cumulatively from the start of the academic year.

Key Stage 4 Assessment

Over the past few years there has been a considerable change to the GCSE grading system and all Key Stage 4 students will receive number style grades when they receive their GCSE results. The grading scale runs from 9-1 with 9 being the highest. The diagram below provides guidance on how the new number grades relate to the old letter style grades. The table on the right gives the percentages of each GCSE grade achieved from the 2018 GCSE examinations

Report Terminology

Definition

Personal Target

This is a realistic Personal Target set with students for each subject by their teacher(s) using national baseline data, which is based on the progress of thousands of similar (for example gender, birth month, Key Stage 2 Results) students and our knowledge of each student. Student progress will then be tracked to these Personal Targets.

Existing RLS Targets for Year 10 students will be reviewed and converted to Personal Targets in the Autumn Term, and included in Year 10 Spring Report onwards.

Working At Grade

To arrive at the current working at grade the subject teacher is, depending on subject, likely to take into account a number of assessments to support their decision. These assessments might include informal assessments made throughout lessons, topic tests, homework exercises, work ethic and so forth. A Working At Grade will not appear in all reports; in some it may be replaced for example by an Internal Exam Result.

Internal Exam Result

In Year 10, this will be the result of the Year 10 formal exam in each subject, which will take place in the spring term; the results will be included in the summer term report.

Predicted Grade

This grade will indicate a subject teacher's professional judgement on the grade the student is predicted to achieve in their GCSE. To arrive at the current predicted grade the subject teacher is, depending on subject, likely to take into account a number of assessments to support their decision. These assessments might include informal assessments made throughout lessons, topic tests, homework exercises, work ethic and so forth. The Predicted Grade will be reviewed and revised where necessary in the Spring Term of Year 11.

Progress Indicator	<p>This progress indicator should give both parents and students a quick and easy way of identifying whether students are on track (O) in each subject.</p> <p>O = On track (Appropriate progress is being made)</p> <p>R = Requires improvement (Progress is not satisfactory)</p> <p>Please note that if attitude to learning and homework is not sustained to at least a good level it is highly unlikely that progress will remain on track.</p>
Attitude to Learning	<p>Each subject score is the overall judgement made by teacher(s) on the student's attitude to learning so far this term. The key is: 4 - Outstanding, 3 - Good, 2 - Variable, 1 - Unsatisfactory. The descriptors are detailed at the end of this section.</p>
Homework	<p>Completing work independently outside of the lesson is essential to develop and reinforce understanding. Homework should be submitted in accordance with the deadline set and of an appropriate standard to the student's ability.</p> <p>The key is: 4 - Outstanding, 3 - Good, 2 - Variable, 1 – Unsatisfactory. The descriptors are detailed at the end of this section.</p>
