

Student Termly Reports 2021-22

**Supporting information
for students and parents**

Year 9

Introduction

This document gives the key definitions and supporting information to assist parents/guardians and students in understanding the termly reports.

Depending on the term not all of the criteria included in this booklet will be included in some reports. Any information relating only to specific reports will be included in letters sent to parents/guardians to accompany each report. Those letters and this supporting information should be used together.

Approximate dates by which reports will be issued to students/parents are shown in the table below.

Year Group	Autumn Term	Spring Term	Summer Term
9	Mid November (skills assessment*)	Early March	Late June Parents Evening: 28th April

* The skills assessment will assess pupils against the criteria for Organisation, Attitude to Learning and Homework.

It is our intention to work to the dates indicated, but we will remain flexible in our approach due to the potential for further disruption from the COVID-19 pandemic.

Key Stage 4, Year 9

All House points, Behaviour strikes and Percentage Attendance figures are reported cumulatively from the start of the academic year.

Key Stage 4 Assessment

Over the past few years there has been a considerable change to the GCSE grading system and all Key Stage 4 students now receive number style grades when they receive their GCSE results. The grading scale runs from 9-1 with 9 being the highest. The diagram below provides guidance on how the new number grades relate to the old letter style grades.

Report Terminology	Definition
Personal Target	<p>This is a realistic Personal Target set for each subject by discussion between students and their teacher(s) using national baseline data, which is based on the progress of thousands of similar students (for example gender, birth month, Key Stage 2 Results) and our knowledge of each student; they do not limit what a student is capable of. Student progress will then be tracked to these Personal Targets.</p> <p>Personal Targets will be set for Year 9 in the Summer Term and will appear in reports from then and throughout the remainder of Key Stage 4.</p>
Working At Grade	<p>To arrive at the current working at grade the subject teacher is, depending on the subject, likely to take into account a number of assessments to support their decision. These assessments might include informal assessments made throughout lessons, topic tests, homework exercises, work ethic and so forth. A Working At Grade will not appear in all reports; in some it may be replaced for example by an Internal Exam Result</p>
Internal Exam Result	<p>In Year 9, this will be the result of the Year 9 Exam in each subject, which will take place in the Spring Term; results will be included in the summer term report.</p>
Progress Indicator	<p>This progress indicator should give both parents and students a quick and easy way of identifying whether students are on track (O) in each subject.</p> <p>O = On track (Appropriate progress is being made) R = Requires improvement (Progress is not on track to attain their Personal Target).</p> <p>Please note that if attitude to learning and homework is not sustained to at least a good level it is highly unlikely that progress will remain on track.</p>

<p>Organisation</p>	<p>Each subject score is the overall judgement made by the teacher(s) on the student's organisation so far this term.</p> <p>The key is: 4- Outstanding, 3- Good, 2- Variable, 1- Unsatisfactory. The descriptors are detailed at the end of this section.</p> <p>Organisation will only be assessed in the Autumn Term of Year 9 as part of the Skills Assessment.</p>
<p>Attitude to Learning</p>	<p>Each subject score is the overall judgement made by the teacher(s) on the student's attitude to learning so far this term.</p> <p>The key is: 4 - Outstanding, 3 - Good, 2 - Variable, 1 - Unsatisfactory. The descriptors are detailed at the end of this section.</p>
<p>Homework</p>	<p>Completing work independently outside of the lesson is essential to develop and reinforce understanding. Homework should be submitted in accordance with the deadline set and of an appropriate standard to the student's ability.</p> <p>The key is: 4 - Outstanding, 3 - Good, 2 - Variable, 1 – Unsatisfactory. The descriptors are detailed at the end of this section.</p>
